

Chick-fil-A is aware of suspicious activity on some of our customers' Chick-fil-A One® accounts. While we are still investigating what happened and how certain customers became subject to this fraudulent activity, this is not due to a compromise of Chick-fil-A Inc.'s internal systems. Chick-fil-A is committed to protecting our customers' data and we are working quickly to resolve the issue. Please reach out to Chick-fil-A CARES online or by calling 1-866-232-2040 to report any suspicious account activity.
